Skills

- Skilled in Toon Boom Harmony and Storyboard Pro at the Centre of Excellence programme provided by UAL
- Adobe Photoshop, After Effects & Premiere Pro
- Maya & Blender for prop modelling & backgrounds
- Can use Toon Boom Harmony & TVPaint for both 2D Animation and rigging

Experience

Elite 121/Sphynx Wear Ltd. / Illustrator & Concept Artist

OCTOBER 2023 - PRESENT, FREELANCE

- Appointed to create character designs for the company's graphical work (e.g. clothing, moving images & comic books), as well as work on background designs
- Collaborating with colleagues to carefully iterate character designs within a given time frame.
- Frequently contacted Acting Manager for feedback to improve work

Royal Botanical Gardens Edinburgh / Animator

FEBRUARY 2023 - MAY 2023, LONDON

- Created a 20-second animated advertisement for the book *Planting with Nature: A Guide to Sustainable Gardening*.
- Received pre-illustrated assets and edited them to move using both Adobe Premiere Pro and After Effects in collaboration with team members

National Health Service / Animator

OCTOBER 2022 - JANUARY 2023, LONDON

- Created a 60-second animated campaign raising awareness for prostate cancer in black men
- Made sure to animate a meaningful and emotional campaign, raise awareness, and stay informative
- Animated using Toon Boom Harmony, storyboarded in Toon Boom Storyboard Pro, & composited in Adobe Premiere Pro
- Worked collaboratively with a partner, with me primarily focusing on character animation.
